I, the undersigned hereby declare that the cabling links, installed by us at the above site address complies with the following M@XLINK requirements:

- All links are comprised exclusively of new reputable connecting hardware and new M@XLAN cables purchased from an authorised Prysmian distributor and is independently tested to be compliant to the relevant Australian Standard in force at the time of purchase.
- All installation work has been undertaken in accordance with the current editions of the following:
 - the Australian Communications Authorities, "Cabling Provider Rules"; and
 - the installation and system design requirements of the AS/NZS 11801 Generic cabling for customer premises
 - the manufacturer's installation specifications.
- All links passed when tested in accordance with the relevant Australian Standard to permanent link test performance. Prysmian reserves the right to investigate any marginal pass test results prior to issuing the warranty.
- Copies of the original link test results, together with any other documentation such as built drawings, bills of materials and customer specific specifications will be retained and maintained so to locate specific links and they will be made available in the event of any warranty claim against Prysmian.
